

WHAT TO BRING

Bring rugged, easily laundered, older clothing for active days. A special outfit for the camp dance might be fun. We recommend each camper bring at least two pair of sneakers/tennis shoes and a pair of sturdy walking shoes. Older campers may want hiking boots. Sandals with ankle straps may be worn at certain times. Every camper needs a sleeping bag suitable for campouts (not a slumber party bag). The backpack needs to be big enough for the sleeping bag and overnight gear (school backpacks are not enough). Laundry will be sent out twice each session and returned the next day. A pillow from home is recommended. Musical instruments (non-amplified) are encouraged. Most campers pack in a duffle bag, trunk or suitcase.

Please mark all items with camper's name!

WHAT NOT TO BRING

Cell phones, iPods or other portable music players, **computers, video games**, two-piece bathing suits, food, pets, revealing and offensive clothing, firearms, fireworks, knives, inappropriate music or magazines, tobacco products, alcohol and non-prescription drugs are prohibited. Kanuga will not be responsible for jewelry and other valuables. The camp will provide all sports and safety equipment; campers should leave theirs at home. Trailblazer Adventurers may drive to camp if a parent allows them, but their keys must be turned in to the office.

CLOTHING AND EQUIPMENT LIST

Quantities are suggested in parentheses. *Please mark all items with camper's name!*
